ABOUT US:

GTROPY is a renowned brand ventured by a passionate team from the world's most eminent institution. We are a technology start-up, based in SOUTH DELHI ventured by a team of IIT, IIM & BITS-Pilani Alumni.

We are working in the growing field of Location based vehicle tracking solutions and its exhaustive Data Analytics. We envisage making the Indian road transport more efficient with reasonably priced solutions. There is a clear deficit of technology and analytics in transportation industry and that's what we intend to fill. We do indulge in fond reverie of touching almost every vehicle that is plying on Indian roads; yeah we have a big dream!!! To delineate that dream, we need passionate people who just roll up their sleeves and do everything in optimized ways. We are dedicated to the field of GPS Based Fleet Management Solutions and its exhaustive Data Analytics. Proficient in providing valuable solutions, we cater to diverse clients from all verticals. Our aim is to set benchmarks for analytics in the Logistics Industry in terms of imparting avant-garde solutions, high-quality services, and seamless support to our customers. Progressively we have established ourselves as one of the most trusted GPS Vehicle Tracking Solution providers among our esteemed partners and well-satisfied customers. As of now, we have 1Lac+ live vehicles to our credit with quarterly growth of 40%. Our gigantic network of 350+ partners reflects our success story.

GTROPY has an array of solutions for every Industry type in the Logistics domain that help in the management of Logistics Operations, Passenger Transportation, Fleet Management, Supply & Distribution as well as pickup and drop services.
